# Park & Launch Terms & Conditions.

Marina Workshops, Pwllheli · Version 1 · 26 November 2026

## FEES AND PAYMENT.

- Payment for all goods and services is due straight away: we don't offer credit.
- Park & Launch fees are paid in advance to secure your place. No refund is due if you no longer need your place part way through the season.
- If you sell your boat or ski during the season, your Park & Launch space can't be passed to the new owner.
- Any boat or ski on the yard from 1 March is charged Park & Launch fees. Any boat or ski on the yard after 31 October is charged winter storage.
- Day launches are paid before launching.
- Launching onto, or retrieving from, a berth costs extra and isn't covered by Park & Launch fees.

## INSURANCE AND RESPONSIBILITY.

- Your boat, gear and equipment must be insured by you at all times, with at least £3,000,000 third party liability.
- All towing and boat movements are at the owner's risk. Make sure your own personal and property insurance covers the risks of using our facilities and equipment.
- Nothing in these terms limits our liability for death or personal injury caused by our negligence, or anything else the law doesn't allow us to limit.
- You're responsible for removing and refitting wheel clamps or immobilising devices, and for fitting and removing bungs.

## SAFETY.

- Trailers must be kept in good working order. We can refuse to launch if, in our opinion, a trailer needs maintenance.
- All vessels must be registered by you with Gwynedd Council, with the registration number and a current sticker on display. We aren't permitted to launch a vessel without one.
- Please tell us before starting any work on your boat or trailer in the compound, for the safety of other boats and people.
- For health and safety, customers aren't allowed in the workshop unless a member of staff is with them.
- Dogs must be kept on a lead at all times.

## LAUNCHING AND RETRIEVAL.

- Operating hours depend on the tide and weather. We can refuse to launch or retrieve if we think it would put you, your boat, our staff or our property at risk, whether because of the tide at the slipway or the weather.
- The launch and retrieval lists are first come, first served. The office may change the order when it needs to.
- Tide times and launch windows in the app are a guide only. Always check conditions yourself before going out.
- Ready for retrieval is open until the office closes the day. A boat still out when we close stays out at the owner's risk until we next open, unless we've agreed otherwise.
- When we've agreed a later than normal retrieval, we lock the yard 30 minutes after the last retrieval.
- Messages in the app aren't for emergencies. In an emergency at sea, call the Coastguard on VHF channel 16 or dial 999.

## THE YARD.

- Cars must not be parked in the boat compound: it's for loading and unloading only. Visitors' car parks are shown in the Marina Handbook.
- Please take all rubbish away with you, for other users and the environment.
- Antisocial behaviour of any kind won't be tolerated. We can end the Park & Launch contract at any time without notice.

## USING THE APP.

- Each person uses their own login. Shared boats are linked to each person by the office.
- By pressing Ready to launch you confirm the checklist is done and the boat is ready to go.
- How we use your information is in our privacy notice (in the app, under Account).
- If these terms change, the app will ask you to agree to the new version before your next launch.
